Consolidation Of Phone Exchanges In District Asked

The Pacific Telephone and Telegraph Company has applied to the public utilities commission for permission to consolidate its Tahoe City exchange and its Brockway exchange, into one exchange to be designated North Tahoe. The new exchange will consist of two district areas and toll rates now in effect for service between the two areas will be eliminated.

The present Brockway exchange, which includes an area in Nevada, will be divided, with Bell Telephone of Nevada operating the portion in that state.

In addiiton PT& T requests permission to establish extended service between its Truckee and North Tahoe exchanges, between its Homewood exchange and its Tahoe City district area, and to eliminate toll charges in effect between these areas. Basic monthly rates would be increased.

The application, said PT&T, estimates that proposed changes will reduce its costs $14,700 per year, will reduce revenues from toll calls $37,500 a year and will increase exchange revenues about $16,000 annually. The company estimates that it can complete the changes proposed within two years after receiving authorization.

Proposed increases in basic monthly charges would bring an individual business phone in Truckee, Brockway, Homewood and Tahoe City from the present rate of $7 to $7.75, while a two-party line would go from $5.60 to $6.30.

Residential rates would increase from $4.40 for and individual line to $4.80, a two-party line from $3.60 to $3.95 and a four-party line from $3.00 to $3.30.

Bergman Will Be Local Inspector

The Nevada County Board of Supervisors Monday appointed Jack Crawford of Grass Valley as building inspector for the county to comply with a new state law requiring that all new buildings be inspected.

At the same time, Crawford agreed that he would appoint Jack Bergman of Truckee as his representative in the east end of the county. This appointment will be made within the next 30 to 40 days, Board Chairman H. G. Loehr announced.

It is also expected that a second assistant will be appointed later in the Grass Valley-Nevada City area.

CARL DE RYK FETED AT BIRTHDAY PARTY

Carl de Ryk, son of Mr. and Mrs. Jack de Ryk was the center of attention at two birth date parties in honor of his attaining the age of four years.

On January 13 a luncheon, with all the festive trimmings was given in his parents home to include the following members of the youngest set; Robbie and Janna Affeldt, Kevin, Kerry and Kenny Pendergast, Carol, Heidi and Jeff Wyckoff. All the guests had a lovely afternoon.

Prior to that occasion, adult members of the family and friends feted Carl on the event.

DONNER LAKE HOME IS REPORTED ROBBED

Kenneth V. Marr of Sacramento reported to Sergeant Roy Waters and Deputy Emery Lander that his Donner Lake house had been entered during his absence and clothing and food stolen.

Apparently the thief felt an obligation as he signed the guest bood as "L. R. Bennett, Long Beach, Calif. Had a good time."

The loss was estimated at $112.00.

ROSES AT WEDDING OF KIN IN CAPITAL

Mr. and Mrs. Zeph Rose last Thursday attended the wedding of the former's sister, Mrs. [illegible]mie Shudy to Alfred Lundsford at Sacramento. The rites were conducted by a Baptist minister in a friend's home.

Also in attendance at the ceremony were Mr. and Mrs. Dave Rose of Arcata and Mr. and Mrs. Charles Rose, Quincy; Mrs. Delma Scottand, Mrs. Orval Sanner, sisters of the bride and several of the bridegroom's relatives and some 30 friends.

QUALIFYING RACES AT ALPINE DELAYED

A severe snowstorm which produced 3 feet of new snow forced junior committee officials of the Far West Ski Association to call off the junior qualifying races which attracted 187 entries.

The event was scheduled for Alpine Meadows, where the ski director, Luggi Foeger, said it would be impossible to set a course.

Mrs. Harold Carles Is Crash Victim; Husband Is Hurt

A honeymoon in the Las Vegas area ended in tragedy Sunday for Mr. and Mrs. Harold R. Carles of Los Gatos and Donner Lake, when Mrs. Carles was killed and Carles hospitalized with serious injuries as a result of an automobile accident on the road to Lake Meade.

According to a telephone call to Mrs. Virginia O'Bear, Carles was forced off the highway by a car approaching on the wrong side of the road on a curve and his car plunged down a steep embankment.

Carles for many years lived with his mother in his summer home back of the Lake View Hotel.

The couple was married in Portland, Oregon, December 10th and had been honeymooning in the south.

Carles had been employed by the Western Pacific and Southern Pacific railroads and was well known as an ardent fisherman at Donner Lake. He will be hospitalized for eight or ten weeks in the Southern Nevada Memorial Hospital at Boulder City.

His many friends here will join in extending sincere sympathy.

Mrs. Carles family arrived from Portland to handle the funeral arrangements.

Sno-Go Used For Fire On Highway

A state sno-go makes a very excellent piece of fire fighting equipment.

This was discovered Monday at 10 a.m. when a pickup truck loaded with $4,000 worth of furniture caught fire and was virtually destroyed just east of Kingvale on Highway 40.

The truck driven by the owner, Robert E. Montgomery of Carmichael, also occupied by Thomas Whitmore of Davis, was delivering the furniture including a 7-foot round bed, a television and hi-fi equipment to Reno.

Montgomery said he saw what looked like falling leaves flying from the load and he stopped to investigate. The fire in the load gained considerable headway and defied the efforts of the hand extiguishers from the Big Bend ranger station.

Leo Quinn, foreman for the division of highways came by on a sno-go and maneuvered into position and sprayed the fire with a stream of snow, successfully extinguishing the flames but not before the truck and contents were destroyed.

While the cause of the fire was not immediately learned, Montgomery told the highway patrol that they had stopped at Cisco and that a group of people gathered near the truck and perhaps one of them tossed a burning cigarette into the load.

POT LUCK SUPPER TO FEATURE OES MEET

A pot-luck supper will precede the meeting Tuesday night, February 6 of Truckee Chapter No. 116, Order of the Eastern Star, honoring members' birthday night.

The worthy matron and her committee will be in charge. The stated meeting at 8 p.m. will be presided over by Ruby Faulkner, worthy matron and Sam Faulkner, worthy patron.

YORK IS HONORED FOR BOWLING MEET

Russ York, formerly of Truckee, now manager of the Z Market at Greenville, was one of the top five bowlers at the Quincy Bowling alley and was given an all-expense paid trip to Las Vegas where he competed with 900 other bowlers in a national meet. The outcome of this meet will not be known for a month or so.

York, who was accompanied by his wife, said the trip down and back was real rugged because of the storms, but that the stay in the south was enjoyable.

SON ARRIVES

Only one baby was born at the Tahoe Forest Hospital during the past week. He is Robert Frank Cushman, who arrived at 5:45 p.m. January 23 for Mr. and Mrs. Robert W. Cushman of Tahoma. He weighed six pounds, nine ounces.

Dog Derby Plans Are Complete For Kings Beach Area

The Tahoe Sierra Dog Derby is being revised in this area and the first of what is proposed to be an annual race will be staged March 10 and 11 at Kings Beach.

Fred Schultz, general manager of the Lake Tahoe Sierra Chamber of Commerce, who was a guest at the meeting of the Truckee Donner Chamber yesterday, said the committee, which met Tuesday night to formulate plans for the event, hopes to have the program in the future embrace the entire North Tahoe and Truckee area, with events in each center of population.

There will be some ten teams entered in the races in March, Schultz said, some, he hoped coming from as far north as Alaska and other parts of the west.

Along with the major races, which will end the racing season in the far west, there will be pee-wee races for the youngsters and prizes for winners as well as for the dogs, Schultz explained.

Lloyd Van Sickle of Truckee, a consistent winner in the derby circuit and world champion many times, is working with the committee at Tahoe, headed by Mrs. Alice Hall of Kings Beach.

Dog races in this area are not new. In 1932, one of the biggest programs ever staged in the area was held at Truckee under the chairmanship of Cecil Edmunds, in which thousands of people participated. They were revived later, and the forthcoming event, it is hoped, will perpetuate the program in the region.

BOOKS DONATED IN MEMORY OF COUPLE

The Great Books Discussion has donated two books to the Tahoe-Truckee Community Center Library in memory of Mrs. Charlotte Patnoude. They are Student Nurse, A Picture Story by Jack Engeman, and Careers for Nurses by Dorothy Deming.

Mrs. Patnoude was for many years the school nurse for the Tahoe-Truckee Unified School District and an active member of the discussion group. The books in her memory will be held in the library and made available to student and adult patrons who seek vocational information on the subject of nursing.

Peter Freuchen's Adventures in the Artctic, with a bookplate reading "In memory of Scott Calhoun who found adventure in reading", has been donated by James and Adele Graham. Scott was a sophomore and popular student in the high school last year.

GORDON BROWNS TO HEAD TAHOE CLUB

TAHOE CITY— Mr. and Mrs. Gordon Brown were elected as co-president of the Mr. and Mrs. Club which held its first meeting Sunday evening in the annex of Corpus Christi Church, under the direction of Monsignour Connelly at Tahoe City.

Honored guests of the evening who braved the wintery weather to attend from Sacramento, were Mr. and Mrs. Charles Porter, co-president and Mr. and Mrs. Ron Romero, co-secretary of the state organization.

Mr. and Mrs. Martin Spitsen took the position of vice president and Mr. and Mrs. Robert Brigham, treasurer of the new group.

A pot luck supper, movies and business occupied the evening. A business meeting will be held February 11 in the church annex.

WARNING IS ISSUED FOR REGISTRATION

Current registration stickers for rear license plate display are available without penalty through Monday, February 5, from the state department of motor vehicles.

Tom Bright, director, reminded motorists who have not yet paid their 1962 fees that 140 full-time field offices of the department are staffed to serve owners seeking any type of registration, whether the vehicle involved is a passenger car or commercial, requires change of ownership, or change from non-resident to resident registration. Auto clubs offer the same range of service to their members.

Three Games Are On Tap For High School Hoopsters

The snow storm Saturday resulted in a postponement of the basketball game between the South Tahoe Vikings and the Tahoe Truckee Wolverines and the contest has been rescheduled for Tuesday, January 30 at the local gym.

The JV game is scheduled for 6:30 and the varsity contest at 8 p.m. Because of the traditional rivalry between these two schools, a packed house is expected.

In the meantime, the Wolverines will travel to Colfax Friday night to meet the varsity and JV teams of that town in what is predicted to be a spirited game.

Then on Saturday, January 27, the Sparks high school will send its two teams to Truckee for another local game, Coach Neal Gates announced.

Citations Issued For Snow Plowing

At least seven car owners were cited Monday morning along the main street for leaving their vehicles parked after 3 a.m. while county crews were endeavoring to clear snow away.

Sergeant Roy Waters announced that in the future more owners will be cited if they leave cars parked when signs are posted for no parking after 2 a.m.

The county crews did an excellent job despite handicaps and Monday the parking area along the main business block was entirely cleared. Other streets and roads in the area were also kept plowed during and after the season's biggest snow storm.

MOTORCYCLE GROUP BRAVES BIG STORM

Seven members of the Capital City Motorcycle Club roared across the Donner Pass through the snowstorm Saturday.

It was the group's 25th annual snow run to Reno, Nev., where an overnight stop was made before the return ride to Sacramento.

Wearing white helmets, leather masks and leather jackets, the group included President Armando Magri, Dan Fenner, Jack Gassaway, Ray Waller, Edwin Serbe, Merrill Wolhart and Allen Dowd.

Magri, who has made all the trans Sierra annual snow runs since 1937, said the motorcycles had never run into such tough going as Saturday.

TELEPHONE STOLEN AT SERVICE STATION

The Pacific Telephone Company at Tahoe City notified Sergeant Roy Waters of the sheriff's department that last Thursday the telephone and coin box in the booth at George's Shell service station just west of Truckee were stolen.

A heavy object was used to pry the telephone off the wall. Later the telephone case and mounting were found nearby but the coin box, containing an undetermined amount of cash, was not recovered.

No witnesses were found and due to the fact it was snowing at the time, no clues were found.

ROBERT SAUNDERS ADVANCED BY BANK

Robert E. Saunders, Jr., former manager of the Bank of America here and widely known throughout area, this week was promoted to vice president and appointed head of the bank's credit department at the head office in San Francisco.

For the past six years, or since he left Truckee, Saunders has been assistant vice president in the loan supervision department.

CLASSIFIED ADS IN SUN BRING RESULTS

That Sierra Sun advertising pays was again proven in a classified advertisement placed for the issue of January 18 by Mrs. Stanley Zwarg who had found a woman's wrist watch.

Early on Friday, the next day, the owner, Mrs. Henry Schwartz of Hobart Mills called Mrs. Zwarg which led to the return of the valued keepsake.

Cold In Wake Of Major Storms Is Weather Feature

Following the storm on Friday, which deposited 23 inches of snow in Truckee, the thermometers took a nose dive and on Tuesday morning registered a minus 20 at the Truckee Forest Service Station.

While this was not equal to the cold felt on January 21, 1937, when a minus 28 was recorded, it was sufficient to freeze many water pipes and radiators and cause considerable inconvenience.

The high for the past week last Friday was a cool 31 degrees.

At Boco, one of the coldest spots in the country, the temperature dropped to minus 30 Tuesday morning, Harold Pabst advised the forest service.

The 23 inches of snow which fell last week registered 1.97 inches of precipitation.

Total precipitation for January is now 2.11 inches compared to a normal for the month of 5.98 inches. The normal for the season at the end of January is 17.77 inches and thus far only 7.24 inches have been recorded by the forest service, leaving the area about 10 inches short of the average figure.

The snow extended as far south as Hollywood and San Francisco and Sacramento both recorded measurable falls.

TAHOE CITY— Thirty inches of new snow fell here during the storm last weekend adding 2.66 inches of precipitation to the season's total.

The storm brought the level of Lake Tahoe up .14 of an inch and on Monday it was 6222.77 feet, still far below the natural rim.

The weather was cold following the storm and on Monday a minus one degree was recorded with the high for the week 31 degrees last Friday.

FOUR JUVENILES ARE HELD AS RUN-AWAYS

Four juveniles, who ran from home were apprehended by local officers Sunday.

The first two, age 14 and 15, were apprehended after an ancient Ford pickup they were driving skidded on the highway on Donner Summit and landed in a snow bank. State Patrolmen Martin Sturcke and Carroll Maynard questioned the pair and they were taken to Nevada City.

On the same day, two 14 year old boys from Concord were taken into custody at the Donner Lake Chevron station after one of them passed out. Patrolman Glenn Virus and Deputy Sheriff Emroy Lander questioned the two and learned that they had broken into the Carson White home at Donner the night before to escape the cold. They too were taken to Nevada City.

TWO HOSPITALIZED FROM AUTO MISHAP

Two people were hospitalized Sunday about noon when cars driven by Patricia Mae Wilson, 30 and Alfred C. Bruce, 50, both of San Francisco collided headon at Observation bridge near Donner Summit.

Injured were Leigh Wilson, 7, and Bruce, who had minor injuries and were treated at the Tahoe Forest Hospital. Patrolman Glenn Virus investigated the accident.

CIGARETTE SMOKERS PAY BIG STATE TAX

SACRAMENTO — (CNS)—California cigaret smokers paid $5,888,719 in taxes on 196,291,000 packages of cigarets during November, the Tabacco Tax Council, of Richmond, Va., reported.

California was second only to New York in cigarets consumed but three states collected more taxes. Cigaret taxes in California from July through November totaled $29,382,270 on 979,409,000 packages.

SEEK JURY LIST

The Nevada County Board of Supervisors was requested to submit a list of 100 names for jury duty in the superior court, with eight to be listed from the fifth district, in which H. G. Loehr is the supervisor.

Market Team Now Leading In Town Basketball League

The Sierra Market Mountaineers zoomed to the top of the Tahoe-Truckee Basketball League in recent play when they pulled the biggest upset in many seasons by stunning the previously unbeaten and 1960 league champions Kings Beach Lions, 47-39.

The Mountaineers, who now have a clean 5-0 record, trailed the Lions 20-17 at halftime, but rallied for a 30-point second half to capture the win. Sierra Market was led by Bob Merica and Sam Medford with 18 and 15 respectively. L. J. Robinson and Ken Osburn contributed 11 counters apiece for the losing Lions.

Meanwhile in other action these past two weeks, the Mountaineers and the Lions added to their win records. The Sierra Market five downed the Telephone Company,

Fire Departments Receive SP Check

Both the Donner Lake and Truckee Volunteer Fire Departments and the Fire-ettes are acknowledging, with thanks, gifts from the Southern Pacific Company for their efforts in assisting in combatting the disastrous Norden fire late in the fall.

The Donner department received a check for $150 which will be used to purchase 500 feet of new hose, Chief Hap Warnke announced.

Director Robert Affeldt said it is such donations that has made possible the equiping of the Donner Department.

The Truckee department received a check for $200, while the Fire-ettes were reimbursed for the food they supplied the fire fighters and given a donation of $100 for their efforts.

The Donner department's auxiliary also contributed candy bars, hot coffee and other items to the fire fighters during the $1,000,000 blaze which destroyed snow sheds and other company equipment.

FORMER LOCAL MAN HELD FOR FORGERY

NEVADA CITY— In a joint investigation by the Nevada County District Attorney's office and the department of employment, a complaint has been filed against a North Sacramento man charging him with forgery.

Earl Raymond Ferndon, formerly of Truckee, has been charged with taking an unemployment benefit check from a mailbox belonging to Walter Nunnery of Truckee. The complaint further charges Ferndon with forging Nunnery's endorsement on the check and passing it in a Truckee bar.

District Attorney Harold A. Berliner said handwriting experts were called in and after full investigation gave their opinion that Ferndon was the man who had forged the check.

MAPS OF PROSSER APPROVED BY BOARD

Maps of the Prosser Creek Estates, north of here, were approved by the board of supervisors at the meeting Monday. The map was submitted by Clinton Brines and include 73 lots on the west side of Prosser reservoir. The subdivision roads are 60 feet wide but are not being offered to the county at this time.

TRAILER AT SMART'S DESTROYED BY FIRE

Fire Monday evening at 5 o'clock completely destroyed a 3-room house trailer belonging to Lee McCane, chef at Smart's.

The trailer was parked close to the main building but the fire was confined to the trailer. The blaze was discovered by Reg Smart, who immediately turned in the alarm and the Truckee Volunteer Fire Departmen responded with its usual speed and kept the flames from spreading.

COLLEGE HONORS

Sherman Reams of Truckee was elected vice president of the sophomore class for the spring semester at Sierra College. Dick Bertoncini of Grass Valley was named president of the class.

Steps Are Taken To Keep Shortcut Open This Season

The Truckee Donner Chamber of Commerce meeting at Smart's yesterday adopted a resolution calling upon the division of highways and the County of Placer to provide easy access over the Brockway shortcut during the construction period this coming summer.

At the same time the board directed President Richard Higgins and Manager N. F. Dolley to attend a meeting of the planners with the Tahoe Sierra Chamber at Kings Beach tomorrow morning at 11 o'clock where details will be aired.

Last summer the shortcut was closed for weeks while work was being done on a section of the road, causing financial difficulties to both Truckee and the North Tahoe area and an inconvenience to motorists. It is hoped this can be avoided on the new stretch which may get under way as soon as weather permits and as soon as a contract is let, possibly in April.

Fred Schultz, the Tahoe chamber manager, said his organization will demand that the road be kept open or that a suitable detour be provided and the Truckee Chamber's resolution will be the same in effect.

In other action, the chamber yesterday voted to delay printing of new brochures until such a time as the latest local assets such as the new airport, golf course, Prosser development and other items can be included.

Information dealing with the forthcoming recreation district is being assembled and will be released through the Sierra Sun and by speakers who will give facts and figures on the proposal. Richard Higgins presided at the meeting.

Bay Area Skier Is Lost On Summit

A bay area skier, Edgar Hellyer, 26, San Mateo, experienced a narrow brush with death last Wednesday after he became lost while attempting to ski down Mt. Lincoln in the Sugar Bowl.

Hellyer told the San Francisco Examiner that when he reached the top of Mt. Lincoln it was snowing and the visibility was limited to a few yards. He set a course at 2 p.m. which he thought would take him to the lodge but after skiing some time discovered he was hopelessly lost.

"I somehow got turned around," Hillyer said. "There were four inches of new snow on the ground and I couldn't find a packed trail. The only thing I could do was continue down."

Good luck was with him and eventually he heard a train whistle. He followed the sound and after falling into a stream and getting soaking wet he continued on his way.

Eventually he found himself in a Southern Pacific snow shed and using the SP phone, called Earl Stice, the Norden operator. Stice advised him to keep walking and that he would send an engine as soon as possible. Trains could not stop to pick up the unfortunate skier as they would have had trouble getting started.

After some time, with Stice continuing to call to encourage the exhausted man, an engine arrived and took Hellyer to the station and he was taken to the lodge where he had not been missed until Stice had called to advise he had been found. It was nine terrorizing hours for the aircraft mechanic.

DONNER FIRE BOARD TO ELECT MEMBERS

Officers of the governing board of the Donner Lake Volunteer Fire Department will be elected at the fire house Tuesday, February 13 between 7 and 9 p.m.

Those of the nine-man board whse terms expire and who are candidates for reelection are Richard Walker, Ivan Tofft and Anthony St. Claire. Other nominations will be accepted by the board chairman, Dr. Ray Wiser up to February 6. Nominations may be made by calling Dr. Wiser's office.

All residents of Donner Lake active in the department or who are contributing members are eligible to vote.

JIM HEUGA PLACES IN AUSTRIA MEET

From Kitzbuehel, Austria, comes word that Chuck Ferries of Aspen, Colorado, defeated the world's Alpine skiing elite for the slalom title of the 23rd Hahnenkamn races.

Jim Huega of Tahoe City, Bud Werner of Colorado Springs and Bill Kydd of Stowe, Vermont, the other Americans entered in the race fell and were disqualified.

In the downhill race, Ferries finished 14th and Huega was in 30th place.

DONNER DOINGS

By VIRGINIA O'BEAR

If this below zero weather continues, we will probably have a natural skating rink here at Donner Lake! The lake hasn't frozen over for several years but now it has a good chance. Seems like everyone is getting frozen pipes and the plants growing on our sun porch the past few years were found frozen this week. It is good that we got all of that new snow, but my, it is cold!

* * *

We have some brand new grandparents at Donner Lake! Mr. and Mrs. Bill Knapp were notified of the birth of little David Patrick Knapp who put in an appearance January 19th in San Francisco. The young man tipped the scales at 7 pounds, 12 ounces and his proud parents, Mr. and Mrs. John Knapp, are very happy with their first edition! Now, Bill and Elizabeth can hardly wait to make a trip down to the city to see the little fellow.

* * *

The William Johnson family spent the weekend at Donner at Bert and Arline Johnson's cabin. Bert and Arline's son, Bruce came along also and said they had to wait six hours Friday to get over the summit. They had a lot of fun after they finally got here and enjoyed the best snowfall we have had this winter. Bert and Arline have plans for a Dude Ranch in Sonoma County so we will have more particulars on that later on.

* * *

The Don Hagemans just made it over the summit in time Friday evening as it was closed just minutes afterwards due to poor visibility. This is the first time the family had been in such heavy snow at Donner Lake and all of their children thoroughly enjoyed it!

* * *

The Auxiliary of the Donner Lake Volunteer Fire Department met at Donner Lake Lodge last Thursday evening and enjoyed a delicious chicken and dumpling dinner. The tables were beautifully decorated with little clothes lines with colored clothing cut out of construction paper with New Years resolution imprinted on the clothing. The members and card party committee set a tentative date of February 17th for the coming card party. The place to be announced later. There will be lots of fun and prizes for all who attend. The next Auxiliary meeting will be held in the basement of the Church of the Mountains in Truckee. Ladies of the W.S.C.S. will prepare the food with the main course being baked ham and pineapple. It will be election time again an dthere will be a scavenger hunt as well as "Crazy Hat" time again. Members can also come dressed as some character if they like but a crazy hat is a must! Prizes to be awarded for first, second and third craziest! All members are urged to attend this election time meeting which is February 15th. At last Thursday's meeting, Edith Welch won the Avon perfume for having the healthiest cactus with Dorothy Slack running a close second. Janet Franklin's was kind of tall but it could be because she almost drowned it the evening she won it. Anyway, a lot of fun was had by all and everyone is looking forward to next month so get busy on your crazy hat!

TAHOE CITY ROTARY LEARNS HISTORY OF GLASS MAKING

TAHOE CITY— The history of glass making was the subject of the guest speaker at a recent dinner meeting of Tahoe City Rotary Club at Tahoe Inn.

John Williams, Sacramento auto glass distributor, told members and guests that glass was made in Egypt 4000 years B.C. Sand was the principle ingredient and under great heat the glass was blown by lung power into cylinders, cut for orders and flattened under heat. With the advent of air compressors the glass was blown into flat sheets with a variation of thickness until about the year 1916 when more scientific methods were learned.

Williams discussed three types of glass. Plate glass, he said, is ordinary double strength glass, ground and polished on both sides. Tempered glass used in side windows of automobiles is made by heating and quick chilling and laminated glass commonly known as shatter proof is made with a plastic sandwiched between two pieces of glass and then heated to make a bond.

He said laminated glass is required in all automobile windshields, that some states have passed legislation prohibiting the replacement of tempered glass in side windows of autos but a California bill on the same matter was defeated a year ago. Tempered glass which breaks like an explosion and usually falls inward costs much less than laminated glass, the speaker said. Rotarian Bill Conners, a local service station operator, substantiated the inward fall of tempered glass. He said that only recently he had seen broken side windows with the glass inside the car.

The speaker showed a movie that demonstrated broken shatter proof and tempered glass.

Harvey Hopkins introduced the speaker. Gordon Moyer presided.

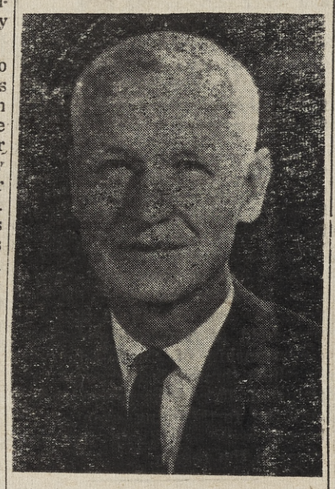
DANIEL J. HIGGINS D. A. CANDIDATE

AUBURN— Daniel J. Higgins, Auburn attorney, officially announced his candidacy for the office of district attorney yesterday.



Higgins, public defender for Placer County since 1950, declared he would file for the post March 7th and would campaign strenuously to be elected in the June primary.

"I enlist the support of my friends throughout the country", Higgins said in making his announcement. "And in return I offer to give the people of Placer county a forthright administration of this important office."

Higgins, in addition to being public defender, is city attorney for both Lincoln and Rocklin and is legal counsel for the Rocklin Loomis Municipal Utility District. He is also a trustee for the Auburn Union Elementary School District.

A native of Colorado Springs, Colorado, Higgins, 45, attended the University of California and was graduated from Hastings Law College in San Francisco. He served with the U. S. Army in the European Theater during World War II.

WARNING ISSUED ON DRIVING IN WINTER

"Most drivers take special precautions to winterize their vehicles, but they neglect an even more important point — to winterize their driving habits," Lieutenant O. P. Ledford, officer-in-charge of the California Highway Patrol's Truckee substation, said today.

"The fog,rain and other adverse weather conditions prevalent during winter months require major alterations in driving technique," the captain pointed out.

"Visibility is greatly reduced, hence appropriate counter-measures are in order. First, turn on your headlights. This not only improves your range of vision, it helps the other driver see you. Remember that you must use headlights; the Vehicle Code prohibits driving with parking lights only. If you are in a fog, drive with lights on low beam to cut glare.

"Second, reduce your speed. This will result in a double benefit, since it not only makes it easier to stop, but lessens the the chance of a skid on moisture-slickened pavements.

"Third, increase your following distance. The often-recommended margin of one car length for each 10 miles of speed is insufficient when visibility is low and roadways slippery.

"Fourth, observe the law. Your best chance to avoid an accident is compliance with rules of the road."

SUSPECT ARRESTED ON CHECK CHARGE

TAHOE CITY— Fred W. Klarenbach, 50-year old unemployed Tahoe City carpenter, was arrested by Placer County sheriff's deputies recently.

He was booked as the suspected author of several bad checks written in the Tahoe City-Kings Beach area during the last several weeks. He is being held in Auburn.

Noted an article stating that survery and design work on a high line route at Lake Tahoe from Spooner Summit to Stateline as a possible replacement for the present highway, will begin as soon as weather permits. State Highway Engineer Otis Wright stated that preliminary work for the proposed high line road will be started as soon as a crew is available and weather breaks.

After survey and design work, the project will be discussed with Douglas County Commissioners and interested citizens. A public hearing would also be scheduled but it would be well into 1963 before that state is reached.

Approval of the U. S. Bureau of Roads for acquisition of rights of way must be had. Road design and plans would be submitted to the bureau with a request for construction. If approved and primary funds are available construction could begin.

In the foreground one of the beginner's slopes at Squaw Valley and in the background one of the intermediate slopes. The facilities are being used heavily by thousands of Californians.

The matter was discussed at a meeting of highway officials, residents of Lake Tahoe area, and county commissioners. Wright stated the project was included as part of the 1962 tentative construction budget for the highway department to show what was planned.

Rotary Club met Monday night at Crystal Bay Club for dinner and business. Sam Faulkner is the club's president. Harry S. Hooper, Brockway, owner of The Woods Resort at Tahoe Vista, spoke on "Communism".

Commander Earl Gray and Chairman Harry S. Hooper of the VFW polio drive announce a benefit show January 27th at the Kings Beach Grammar School auditorium at 8 p.m., admission 50c for children, $1 for adults, of the Mighty Mites who will do 10 exhibition boxing matches. The Mighty Mites are from the Reno-Sparks area and donating their services for the show.

Canisters, posters and cards for contribution to the March of Dimes have been placed throughout the Kings Beach area by the chairman and his committee.

Lake Tahoe-Sierra Chamber of Commerce met at Don Hoff's Homewood Resort Thursday for board meeting and no-host luncheon. Present at the meeting were Alice and Lloyd Hall, Ned Malla, Don Beck, Bob Daneri, Bill Briner, Carlton Konarske, Florence and Gordon Brown, Selby Calkins, Velda Farris, Fred Schultz, Bethel Van Tassel, Sandy Poulsen, Tom James, Ted Stollery, Ray Plunkett, H. E. McCoskey and John Smith.

Discussion on the highway and short-cut situation was one of the main topics on the agenda. The chamber of commerce is and will work closely with the highway officials to try and get the roads completed in as short a time as possible.

The chamber of commerce also went on record and is writing the Placer County Board of Supervisors that it is against any room tax. The California Motel Association and the American Hotel Association have both devoted time and effort to keep such a tax from being levied on the motel owners.

H. R. Howard of Kings Beach was called to Los Angeles last week on account of the serious illness of his nephew, Gary Howard. Gary developed spinal meningitis and complications which resulted in his death. Gary worked for Howard's Chevron Station all last summer and many local residents will remember him as a quiet, hard working red haired boy. He was only 17 years old, a senior in school. The son of Mr. and Mrs. Burton Howard. Burial was at Ogden, Utah, where H. R. Howard accompanied the Burton Howards. Our sympathy is extend to the Howard family.

WATCH WHERE YOU PARK, WARNS HEAD OF LOCAL PATROL

Unfamiliarity with the law which prohibits parking on freeways is causing an increasing number of motorists to receive citations for parking violations along the freeways which traverse mountainous areas, Lt. O. P. Ledford, officer-in charge of the Truckee substation of the California Highway Patrol, said this week.

"During winter months, many families stop along mountain highways to let youngsters play in the snow. If they stop along a freeway, they are subject to citation under the law which makes it a violation to stop, park or leave a vehicle upon a freeway—including the shoulder and other portions of the right-of-way except when necessary to avoid injury or damage, or in compliance with an official traffic control," the lieutenant continued.

"With the completion of more sections of U. S. 40 between Auburn and the state line as a freeway, violations have become numerous. For instance, the only portions of U. S. 40 which are not freeway lie between Emigrant Gap and Hampshire Rocks, and between Norden and a point just west of Truckee. On any other section of this highway, it is illegal to stop or park."

The CHP commander said that short portions of U. S. 50 east of Placerville also are freeway and the no parking law applies.

"If you desire to stop in the mountains, find a place where you can park completely off the right-of-way." he said.

Ledford also pointed out that while the violation increase has been noted in mountain areas, the law applies to all California freeways.

ZONING STUDY ASKED FOR TAHOE REGION

AUBURN— The county planning commission has been instructed to review the present zoning adjacent to commercial firms in the unincorporated areas to protect them from the expanding residential areas.

The request was made by the board of supervisors after Supervisor J. O. Anderson explained some of the business firms are being squeezed out and forced to move to another location when home owners build near the firms and then protest to the county the commercial operations are a nuisance.

REX DONALDSON NOW ON DUTY IN PACIFIC

WESTERN PACIFIC — (FHTNC) — Rex W. Donaldson, seaman apprentice, USN, son of Mr. and Mrs. W. W. Donaldson of Tahoe City, Calif., reported, Dec. 26, for duty aboard the general stores issue ship USS Pollux, operating with the Seventh Fleet in the Western Pacific.

The Pollux is a member of an underway replenishment group which delivers geenral and technical stores to other ships at sea.

Before entering the service in August, 1961, Donaldson was graduated from Tahoe Truckee High School.

HANKS RETURNS AS CRUISE IS COMPLETE

SAN DIEGO — (FHTNC) — Charles W. Hanks, Jr., machinist's mate third class, USN, son of Mr. and Mrs. Charles W. Hanks of Tahoe City, was scheduled to return to San Diego, Calif., on Jan. 15, aboard the attack aircraft carrier USS Ticonderoga, which is returning from a nine-month cruise with the Seventh Fleet in the Western Pacific.

In the Far East, the ship visited Sasebo, Iwakuni, Yokosuka and Beppu, Japan; Subic Bay and Manila, Philippines, and Hong Kong.

Today's demand for progress based on a true comprehension of God's nearness and all-power will be stressed Sunday at Christian Science church services.
Highlighting the Lesson-Sermon on the subject of "Truth" is the Golden Text from Pslam 119: "Thou art near, O Lord; and all thy commandments are true . . . Thy word is true from the beginning."
One of the citations to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states (Pref. vii): "The time for thinkers has come. Truth, independent of doctrines and time-honored systems, knocks at the portal of humanity. Contentment with the past and the cold conventionality of materialism are crumbling away. Ignorance of God is no longer the stepping-stone to faith."

SNOW SPURS MORE ACTION AT ALPINE

ALPINE MEADOWS — Forty inches of snow last weekend, coupled with the opening of a third lift, stepped up activity at Alpine Meadows, the popular new ski area just south of Squaw Valley.
The No. 1 Poma lift, opened last weekend, supplements the double chairlift and the beginners' Poma lift. A 1600 foot dift, rising 450 feet ,it can accommodate 800 skiers per hour. The new lift opens up skiing to wide slopes, ideal for intermediate skiers.
The better to care for the increasing crowds, Luggi Foeger, Alpine Meadows Ski School Director, has added two new members to his staff of instructors: Borje Nilsson and Len Miller.

Army

HIGH ALTITUDE MISSILE INTERCEPT—Using improved radars, the US Army's NIKE-HERCULES on September 14, destroyed another missile of the same type at White Sands Missile Range, New Mexico, at an altitude of about 19 miles above the earth. The second NIKE-HERCULES was used to provide a target of high performance and is part of the Army's progressive program to test the system capability of the NIKE-HERCULES, the most advanced surface-to-air missile with which United States Army Air Defense Command units of the North American Air Defense Command are armed. Only the killer missile was set to detonate at intercept. They aproached each other at a combined speed seven times faster than sound.

January Jamboree Highlights: a few flakes of snow didn't dampen the spirits of the some two hundred party-goers who attended the Tahoe Lake P.T.A. buffet dinner held at the Crystal Bay Club last Friday night. The dinner was a huge success, both socially and financially . . . . among the many P.T.A.'ers who worked hard on the affair were Raleigh Hawk, Herb Kahn, Jim Sampson, Dolores Mullen, Ned Long and Marian Michener . . . . much laughter at the routines of comedian Tom Coleman . . . any many ooh's and aah's over the prizes so generously donated by Max Hoff, Bill Swope Bill Conners, Herb Kahn, Bill Bechdolt, Jack Sarratt and Drs. Ray Wiser and Fenwick Cole . . . prize-winners were Dolores Nicolai, Gordon Moyer, Ruth Street, Roberta Huber, Bill Mullen, Dodie Rivard and C. E. Cline . . . dancing partner much in demand was Pete Heuga who dances with all the skill and enthusiasm that he uses on the ski slopes. He wore out partners Jean Palmer, Elaine Kahn, Dottie Caulkett and wife Lucille without even having to take a second breath . . . among those contributing much to the geenral gaiety were Jay Shontz, Betty Long, Don Snyder, Bertha Tonini, Dorothy Smith and John Tilton. All present voted thanks to Crystal Bay Club and Ray Plunkett for all their efforts . . . and if we had many more paragraphs, we would describe how a number of the guests got home. Those few snowflakes had piled up a little!

PROJECTS PLANNED BY TAHOE CHAMBER

HOMEWOOD— Directors of the Lake Tahoe Sierra Chamber of Commerce have begun planning for a special event which may be headlined by a dog sled race.
It was decided at a meeting in the Homewood Resort that the community event would include such features as a snow queen contest, a dance and a snow carnival.
A dog sled race will be included if it proves to be feasible. Chamber Manager Fred Schultz said the availability of the dog teams will be the limiting factor.
The event tentatively is scheduled for last of next month.
The chamber also decided to make a Man of the Year award for 1961 and named a committee to select the man. Schultz said the names of the committee members will not be made public.
Thomas James, chairman of the highway committee, reported Placer County officials met with his committee Wednesday and promised to expedite construction on the Brockway Cutoff project next spring and summer. James said assurances were given that through traffic will be permitted and adequate detours will be provided where needed.
The highway committee will meet with officials of the state division of highways Friday to discuss summer construction on State Highway 28.

COMMISSION GIVEN EMERGENCY LOAN

CARSON CITY—The state board of examiners approved a $7,500 emergency loan for the Nevada side of the California-Nevada Interstate Compact Commission to continue talks over allocation of Lake Tahoe Basin water until the beginning of the new fiscal year.
The Nevada commission had asked for $10,000 to carry it over until July 1st when it will receive $15,000 in appropriated funds.

RETAIL SALES GAIN IN NEVADA COUNTY

SACRAMENTO — (CNS) — Estimated retail sales in Nevada county during the July-September quarter of 1961 showed a gain of 6.7 per cent over the same quarter of 1960, the state board of equalization reported today.
The self-assessed taxable transactions totaled $7,323,000 during the quarter, or .12 per cent of the state total. This produced $219,690 in the state's 3 per cent sales tax.
For the state as a whole, sales totaled $6,063,901,000 to set a new third-quarter record. The sales showed a gain of 4 per cent over the third quarter of 1960 and, for the first time since the first quarter of 1960, kept pace with the population growth.
Biggest gains were recorded in the retail stores, businesses and personal services categories. Thirty three of the retail store classes reported higher sales, with seven others failing to top sales during the third quarter of 1960.

TRAFFIC SPECIALIST EXAMINATION IS SET

The board of U. S. Civil Service Examiners at Fort Ord today announced that applications will be received until further notice for positions of air traffic control specialists. These positions pay an annual salary of $4345 to $7560 to start. Applicants for these positions will be rated on the extent and quality of their training and experience for the positions.
Further information and application forms may be obtained from the Board of U. S. Civil Service Examiners, 3rd Avenue near 10th Street.

CAMPING FACILITIES ARE SHORT IN STATE

SACRAMENTO — (CNS) — California should publicize its many miles of scenic highways but, until more facilities are built, is in no position to stimulate travel for the purpose of using public camping facilities.
This was the statement of DeWitt Nelson, director of conservation, as prepared for an assembly subcommittee studying tourism. The statement was presented to the committee by Robert D. Calkins, deputy conservation director.
Nelson said the state should exploit recreational travel by publicizing such highways as Highway 1, U. S. 101 through the redwoods, the many routes of travel through the mountain passes, across the desert, through the Mother Lode country and down through the central valleys.
"This not only will require promotional work, but will require the development of more roadside rests, overlook viewpoints, en-route camping grounds and, in many areas, zoning for roadside developments to enhance and protect their full scenic worth properly," Nelson said.
"California, with more miles of real scenic highways than others, is the least progressive of all states as far as roadside rest facilities are concerned," he said. "Not only are such facilities important from the recreation point of view, they are extremely important from a safety point of view, and should be designed and constructed as a part of the highway system."
Nelson said here was a 30 per cent deficiency in camping facilities in 1958, 30 per cent in picnicking facilities; 50 per cent in boating; and 35 per cent in swimming facilities. He estimated that the deficiencies by 1980, according to increased demand would be the following percentages:
Camping, 430; picnicking, 380; boating, 600; and swimming, 300.

DISPOSAL SYSTEM SAID INADEQUATE

CRYSTAL BAY— A consultant for the Lake Tahoe Area Council has concluded that a plan to dispose of sewage from the Incline Village development within the Tahoe drainage basin would fail within a few years if it were installed and operated according to the design now proposed.
The conclusion was announced at a meeting of the council's board of directors in the Nevada Lodge.
The board authorized Executive Director Dean Seeger to employ the consultant, Dr. J. E. McKee of the California Institute of Technology, to make a further evaluation of the proposed sewage disposal system.

BURGLAR SENTENCED FOR LOOTING CABINS

AUBURN—Leroy Fields, 44 year old burglar of mountain cabins in the Sierra, has been sentenced to serve two consecutive terms in the state prison for second degree burglary.
The lanky Kentuckian whom sheriff's deputies described as a superb woodsman, appeared in superior court to be sentenced for breaking into a cabin south of Soda Springs, Nevada County, last year. He already had been sentenced for looting a cabin near French Meadows, Placer County, Juries found him guilty in separate trials.

Saving You Money ON FOOD...IS OUR BUSINESS!

Barry Leamon signs his application for the "Good Student Discount" offered by State Farm Mutual on automobile insurance, being the first in this area to take advantage of the plan. Looking on is Lauren Russell, local agent at the left and Barry's parents, Mr. and Mrs. Robert Leamon of Truckee.

FIRST "GOOD STUDENT" INSURANCE REFUND ISSUED TO LOCAL YOUTH BY TRUCKEE AGENT

Barry Leamon, son of Mr. and Mrs. Robert Leamon of Truckee is the first area resident to earn a 20 per cent discount on automobile insurance because of his good grades.

State Farm Mutual, offers the cash savings as part of a new "Good Student Discount" plan.

The plan is the result of State Farm's search for a way to single out unmarried young men 16 to 25 who have fewer accidents than the average for that group of drivers, who pay the nation's highest automobile insurance rates. The company believes that those who spend time on home work will be on the highways less, thus reducing exposure to traffic dangers.

Eligible for the plan are single males in the 11th grade or above who have attained good scholastic ratings. Young women drivers, who already pay much less than young males, are not included in the plan.

Eligible for the "Good Studer Discount" plan are full-time students of high schools, junior colleges, colleges, and universitie who meet any one of the followin conditions:

Rank in the top 20 per cent o their class.

Have a "B" average or better or a 3.0 average, based on a 4.0 scale, or the equivalent.

Are on the dean's list, honor roll or similar scholastic list.

Those applying for the discount must obtain written verification of their scholastic standing from the school. A card for school officials to sign is available from Lauren Russell, State Farm agent.

The plan was introduced in California, and is expected to be offered in other states in the near future.

MASTER RECREATION PLAN IS CONSIDERED

AUBURN— The Placer County Recreation Commission is considering the development of a master recreation plan for the county.

The proposal was suggested by William Briner, chairman of the board of supervisors. He said no funds are available for such a study but preliminary steps could be taken to start the plan.

The commission asked Planning Director Justic Barber to assemble what information has been compiled concerning recreation and submit it to the recreation body.

It was generally agreed a recreation consultant could be hired to do the planning on a contract basis.

POWER FAILURES IN AREA PLAGUE TPUD

More power trouble has plagued the Truckee Public Utility District, Manager Francis Longo reported.

Friday at 11 p.m. a slack span south of town caused a circuit breaker to break down and the power in the main part of town was off until 7 a.m. south of the river and it took two hours to get power back in the business district. At 1 p.m. Saturday the power was again shut off to change the circuit breaker and the lights were off for two hours. At 5:15 Saturday the power was again off for half an rour when a fuse blew out serving the Gateway area, Longo said.

Monday morning a transformer blew out causing a brief delay in service to a part of the main street.

Buy for Besio's—

Mr. and Mrs. Angelo Besio returned from San Francisco where they attended showings of new merchandise for their Besio's Apparel Shop.

Bowers Stops Here—

Clarence Bowers of Sacramento and former Truckee business man stopped Wednesday to see friends here en route to Reno to visit Mr. and Mrs. Robert Bowers.

Basketball

(Continued from Page 1)

in a thrilling overtime match, 46-43, on Sam Medford's two free throws with two seconds remaining in the three extra minute period. Archie Scott sank 18 points for the Telephone Company. The Market team swept past Safeway last Tuesday night, 57-40, with Bob Merica swishing the hoop for 23 points and Sam Medford adding 18.

The Lions, meanwhile, were busy whipping winless Marier's Marauders, 57-40, and the Tel-Cos, 48-27. Sharp-shooting Craig Robinson found the distance in the Telephone game to sink home 18 points while Tel-Co center Dale Freeland had 14.

Other scores: Safeway 43, Marier's 40; Telephone company 33, Safeway 30; Safeway 42, Marier's 33.

Tonight one game is on tap when Kings Beach Lions play Marier's Marauders beginning at 7:00 p.m.

Here are the official league standing for games played through January 23:

Team	won	lost
Sierra Market	5	0
Kings Beach Lions	4	1
Safeway	2	4
Telephone Company	1	2
Marier's Marauders	0	5
